It is expected that the solicitation of proxies will be primarily by mail; however, proxies may also be solicited by the officers, directors and employees of the Corporation by telephone, telecopier or personally. These persons will receive no compensation for such solicitation other than their regular fees or salaries. The Corporation will bear all expenses in connection with the solicitation of proxies. In addition, the Corporation shall, upon request, reimburse brokerage firms and other custodians for their reasonable expenses in forwarding proxies and related material to beneficial owners of common shares of the Corporation ("**Common Shares**").

The board of directors of the Corporation (the "**Board**") has fixed the close of business on April 23, 2021 as the record date, being the date for the determination of the registered Shareholders entitled to receive notice of, and to vote at, the Meeting.

All duly completed and executed proxies must be received by the Corporation's registrar and transfer agent, Computershare Investor Services Inc. at 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, not later than forty-eight (48) hours (excluding Saturdays, Sundays and statutory holidays in the City of Toronto, Ontario) prior to the time set for the Meeting or any adjournments or postponements thereof.

Voting of Proxies

The Common Shares represented by the form of proxy (if same is properly executed and is received at the offices of Computershare Investor Services Inc. at the address provided herein, not later than forty-eight (48) hours (excluding Saturdays, Sundays and statutory holidays in the City of Toronto, Ontario) prior to the time set for the Meeting or any adjournment(s) or postponement(s) thereof), will be voted at the Meeting, and, where a choice is specified in respect of any matter to be acted upon, will be voted or withheld from voting in accordance with the specification made on any ballot that may be called for. **In the absence of such specification, proxies in favour of management will be voted in favour of all resolutions described below. The form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice and with respect to other matters which may properly come before the Meeting. As of the date of this Circular, management knows of no such amendments, variations or other matters to come before the Meeting.** However, if any other matters that are not now known to management should properly come before the Meeting, the form of proxy will be voted on such matters in accordance with the best judgment of the named proxies.

Appointment of Proxies

The persons named in the form of proxy are officers and/or directors of the Corporation. **A Shareholder desiring to appoint some other person, who need not be a Shareholder, to represent him or her at the Meeting, may do so by inserting such person's name in the blank space provided in the form of proxy or by completing another proper form of proxy and, in either case, depositing the completed and executed proxy at the offices of Computershare Investor Services Inc., at the address provided herein, not later than forty-eight (48) hours (excluding Saturdays, Sundays and statutory holidays in the City of Toronto, Ontario) prior to the time set for the Meeting or any adjournment(s) or postponement(s) thereof.**

A Shareholder forwarding the form of proxy may indicate the manner in which the appointee is to vote with respect to any specific item by checking the appropriate space. If the Shareholder giving the proxy wishes to confer a discretionary authority with respect to any item of business, then the space opposite the item is to be left blank. The Common Shares represented by the form of proxy submitted by a Shareholder will be voted in accordance with the directions, if any, given in the form of proxy.

To be valid, a form of proxy must be executed by a Shareholder or a Shareholder's attorney duly authorized in writing or, if the Shareholder is a body corporate, under its corporate seal or, by a duly authorized officer or attorney.

Revocation of Proxies

A proxy given pursuant to this solicitation may be revoked at any time prior to its use. A Shareholder who has given a proxy may revoke the proxy by:

- (a) completing, signing and dating a proxy bearing a later date, and depositing it at the offices of Computershare Investor Services Inc. at 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1;
- (b) depositing an instrument in writing executed by the Shareholder or by the Shareholder's attorney duly authorized in writing or, if the Shareholder is a body corporate, under its corporate seal or by

a duly authorized officer or attorney either with (i) Computershare Investor Services Inc. at 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1 at any time up to and including the last business day preceding the day of the Meeting or any adjournment(s) or postponement(s) thereof, or (ii) the Chairman of the Meeting prior to the commencement of the Meeting on the day of the Meeting or any adjournment(s) or postponement(s) thereof; or

- (c) in any other manner permitted by law.

Such instrument will not be effective with respect to any matter on which a vote has already been cast pursuant to such proxy.

Voting by Non-Registered Shareholders

Only registered Shareholders or the persons they appoint as their proxies are permitted to vote at the Meeting. Most Shareholders are "non-registered" Shareholders ("**Non-Registered Shareholders**") because the Common Shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the Common Shares. Common Shares beneficially owned by a Non-Registered Shareholder are registered either: (i) in the name of an intermediary ("**Intermediary**") that the Non-Registered Shareholder deals with in respect of the Common Shares; or (ii) in the name of a clearing agency (such as The CDS Clearing and Depository Services Inc.) of which the Intermediary is a participant. In accordance with applicable securities law requirements, the Corporation will have distributed copies of the Notice, this Circular, the form of proxy and a request card for interim and annual materials (collectively, the "**Meeting Materials**") to the clearing agencies and Intermediaries for distribution to Non-Registered Shareholders.

Intermediaries are required to forward the Meeting Materials to Non-Registered Shareholders unless a Non-Registered Shareholder has waived the right to receive them. Intermediaries often use service companies to forward the Meeting Materials to Non-Registered Shareholders. Generally, Non-Registered Shareholders who have not waived the right to receive Meeting Materials will either:

- (a) be given a voting instruction form which is not signed by the Intermediary and which, when properly completed and signed by the Non-Registered Shareholder and returned to the Intermediary or its service company, will constitute voting instructions (often called a "**voting instruction form**") which the Intermediary must follow. Typically, the voting instruction form will consist of a one page pre-printed form. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**") in Canada. Broadridge typically prepares a machine-readable voting instruction form, mails those forms to Non-Registered Shareholders and asks Non-Registered Shareholders to return the forms to Broadridge or otherwise communicate voting instructions to Broadridge (by way of the Internet or telephone, for example). Additionally, the Corporation may utilize Broadridge's QuickVote™ service to assist eligible Shareholders with voting their shares directly over the phone. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of the Common Shares to be represented at the Meeting. Sometimes, instead of the one-page pre-printed form, the voting instruction form will consist of a regular printed proxy form accompanied by a page of instructions which contains a removable label with a bar-code and other information. In order for this form of proxy to validly constitute a voting instruction form, the Non-Registered Shareholder must remove the label from the instructions and affix it to the form of proxy, properly complete and sign the form of proxy and submit it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company; or
- (b) be given a form of proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature), which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Shareholder but which is otherwise not completed by the Intermediary. Because the Intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the Non-Registered Shareholder when submitting the proxy. In this case, the Non-Registered Shareholder who wishes to submit a proxy should properly complete the form of proxy

and deposit it with Computershare Investor Services Inc. at 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1.

In either case, the purpose of these procedures is to permit Non-Registered Shareholders to direct the voting of the Common Shares they beneficially own. Should a Non-Registered Shareholder who receives one of the above forms wish to vote at the Meeting, or any adjournment(s) or postponement(s) thereof (or have another person attend and vote on behalf of the Non-Registered Shareholder), the Non-Registered Shareholder should strike out the names of the persons named in the voting instruction form or form of proxy, as applicable, and insert the Non-Registered Shareholder's or such other person's name in the blank space provided. **In either case, Non-Registered Shareholders should carefully follow the instructions of their Intermediary, including those regarding when and where the voting instruction form is to be delivered.**

A Non-Registered Shareholder may revoke a voting instruction form by following the instructions of their Intermediary as instructions and timing may vary with each Intermediary.

Management of the Corporation does intend to pay for Intermediaries to forward to Non-Registered Shareholders under National Instrument 54-101 – *Communications with Beneficial Owners of Securities of a Reporting Issuer* ("NI 54-101") the proxy related materials and Form 54-101F7 – *Request for Voting Instructions Made by Intermediary*.

NOTICE-AND-ACCESS RULES

The Corporation has elected to use the notice-and-access provisions under National Instrument 51-102 – *Continuous Disclosure Obligations* ("NI 51-102") and NI 54-101 (together with NI 51-102, the "**Notice-and-Access Provisions**") for the Meeting. The Notice-and-Access Provisions are a set of rules developed by the Canadian Securities Administrators that allows issuers to post electronic versions of proxy-related materials on-line, via the System for Electronic Document Analysis and Retrieval ("**SEDAR**") and one other website, rather than mailing paper copies of such materials to Shareholders.

Instead of receiving this Circular, Shareholders will receive a Notice of Meeting with the proxy or voting instruction form, as the case may be, along with instructions on how to access the Meeting materials online. The Corporation will send the Notice of Meeting and proxy form directly to registered Shareholders. The Corporation will pay for Intermediaries to deliver the Notice of Meeting, voting instruction form and other Meeting materials requested by Non-Registered Shareholders. The Circular and other relevant materials are available on the Corporation's website (www.o3mining.com) and on SEDAR (www.sedar.com) under the Corporation's issuer profile.

The Corporation will not be using stratification as it relates to Notice-and-Access.

If you would like to receive a paper copy of the current Meeting materials by mail, you must request one by May 24, 2021, as follows:

- Holders with a 15 digit control number: Toll Free, within North America 1-866-962-0498 or direct, from outside North America (514) 982-8716 and entering your control number as indicated on your form of proxy or voting instruction form.

Approval of Existing 10% Rolling Stock Option Plan

The Corporation's rolling Stock Option Plan (the "**Option Plan**") was last approved by the Shareholders on June 26, 2020.

A summary of each of the Option Plan, the Restricted Share Unit Plan (the "**RSU Plan**") and the Deferred Share Unit Plan (the "**DSU Plan**"), (collectively, the "**Equity Compensation Plans**") is included below under the heading "*Securities Authorized for Issuance Under Equity Compensation Plans*".

Section 3.9(c) of the TSX Venture Corporate Finance Manual provides that rolling stock option plans must receive shareholder approval yearly, at the Corporation's annual general meeting. Each of the Equity Compensation Plans is "**rolling plan**". The aggregate number of issuances under the Equity Compensation Plans shall not exceed 10% of the number of Common Shares then issued and outstanding. The full text of the Option Plan is attached hereto as Schedule "A" to this Circular.

As at the date of this Circular, 68,005,808 Common Shares are outstanding, meaning the maximum aggregate number of Common Shares reserved by the Corporation for issuance and which may be purchased upon the exercise of all compensation securities pursuant to the Equity Compensation Plans shall not exceed 6,800,580. As at the date of this Circular, 4,735,876 Options, 580,000 RSUs and 80,491 DSUs were outstanding, representing approximately 7.93% of the issued and outstanding Common Shares, with a total of 1,703,536 compensation securities available for issuance under the Equity Compensation Plans.

At the Meeting, the Shareholders will be asked to consider, and if deemed advisable, to pass, with or without variation, a resolution ratifying the Option Plan (the "**Stock Option Resolution**"), and the options and other entitlements thereunder.

The text of the Stock Option Resolution to be submitted to Shareholders at the Meeting is set forth below:

"NOW THEREFORE BE IT RESOLVED THAT:

- (a) the Corporation's 10% rolling Stock Option Plan, attached as Schedule "A" to the Corporation's management information circular dated April 23, 2021 be and is hereby ratified, confirmed and approved; and
- (b) all options under the Stock Option Plan are hereby ratified, confirmed and approved."

The Board recommends that Shareholders vote FOR the Stock Option Resolution. To be effective, the Stock Option Resolution must be approved by not less than a majority of the votes cast by the holders of Common Shares present in person or represented by proxy, at the Meeting. The nominees named in the accompanying form of proxy will vote the shares represented thereby FOR such resolution, unless the Shareholder has given contrary instructions in such form of proxy.

If approval of the Stock Option Resolution is obtained at the Meeting, the Corporation will not be required to seek further approval of the grant of Options and entitlements under the Option Plan until the Corporation's next annual shareholders' meeting. If approval of the Stock Option Resolution is not obtained at the Meeting, then any Options and entitlements that have not been allocated under the Option Plan as of June 4, 2021 and any Options that are outstanding as of June 4, 2021 and are subsequently cancelled, terminated or exercised will not be available for a new grant of Options. STATEMENT OF EXECUTIVE COMPENSATION

The purpose of this Statement of Executive Compensation is to provide information about the Corporation's compensation philosophy, objectives, and processes and to discuss compensation decisions relating to the Corporation's directors as well as Chief Executive Officer, Chief Financial Officer, and, if applicable, its three most highly compensated individuals acting as, or in a like capacity as, executive officers of the Corporation whose total compensation for the most recently completed financial year was individually equal to more than \$150,000 (the "**NEOs**" or "**Named Executive Officers**"), during the Corporation's most recently completed financial year, being the 2020 Financial Year.

On July 5, 2019, the Corporation (formerly known as Chantrell Ventures Corp. ("**Chantrell**")) and Osisko Mining Inc. completed their spin-out transaction, which resulted in, among other things, Osisko Mining Inc.

transferring certain of its non-core assets to Chantrell in exchange for common shares of Chantrell by way of a statutory plan of arrangement under Section 182 of the *Business Corporations Act* (Ontario). In connection with the Arrangement, all the directors and officers of the Corporation resigned and the board and management of the Corporation were reconstituted on July 5, 2019. The NEOs of the Corporation during the year ended December 31, 2019 and December 31, 2020 are:

- José Vizquerra Benavides, the President and Chief Executive Officer of the Corporation since July 5, 2019;
- Blair Zaritsky, the Chief Financial Officer of the Corporation since July 5, 2019; and
- Louis Gariepy, the Vice President, Exploration since November 11, 2019.

Directors' Compensation

The Board determines the level of compensation for directors, based on recommendations from the compensation committee (the "**Compensation Committee**"). The Board is responsible for reviewing the compensation of members of the Board to ensure that the compensation realistically reflects the responsibilities and risks involved in being an effective director. The Board has established a cash compensation program for its non-executive directors with respect to general directors' duties, meeting attendance or for additional service on Board committees. Non-executive directors are eligible to participate in certain of the Corporation's share incentive plans, being the Option Plan (as defined below), and the DSU Plan (as defined below). Directors' fees are paid each quarter, are reviewed periodically and may be changed from time to time. Non-executive directors may elect to receive their respective directors' fees in the form of cash, DSUs or a combination thereof.

In respect of the financial year ended December 31, 2020, the Board approved an annual retainer to be paid to each non-executive director of the Corporation in the amount of \$50,000. In addition, the Board approved additional annual retainers for the Chairman of the Board, Lead Director and the Audit Committee chair, of \$15,000. The chair of the Corporate Governance committee, the Compensation Committee and the Sustainable Development committee receive an additional \$10,000.

Compensation Committee

The Compensation Committee is appointed by the Board to assist in fulfilling its corporate governance responsibilities under applicable laws, to assist the Board in setting director and senior executive compensation, and to develop and submit to the Board recommendations with respect to other employee benefits as the Compensation Committee sees fit.

The Compensation Committee is currently comprised of Amy Satov (Chair), Bernardo Alvarez Calderon, and John Burzynski. Ms. Satov and Mr. Alvarez Calderon are independent within the meaning of National Instrument 58-101 – *Disclosure of Corporate Governance Practices* ("**NI 58-101**").

Compensation Process

The Board relies on the knowledge and experience of the members of the Compensation Committee to set, review and recommend appropriate levels of compensation for senior officers. The Compensation Committee adopted a compensation process whereby it will review annually the total remuneration (including benefits) and the main components thereof for the officers and directors, and may compare such remuneration with that of peers in the same industry, and review periodically the Equity Compensation Plans and consider these in light of new trends and practices of peers in the same industry. The Compensation Committee's recommendations regarding director and officer compensation are presented to the Board for its consideration and approval. The Board is responsible for reviewing the compensation of members of senior management to ensure that they are competitive within the industry and that the form of compensation aligns the interests of each such individual with those of the Corporation.

Compensation Program

Principles/Objectives of the Compensation Program

The primary goal of the Corporation's executive compensation program is to attract, motivate and retain top quality individuals at the executive level. The program is designed to ensure that the compensation provided to the Corporation's senior officers is determined with regard to the Corporation's business strategy and objectives and financial resources, and with the view of aligning the financial interests of the senior officers with those of the Shareholders. The Compensation Committee has focused on ensuring that the members of the senior management team successfully create significant value for the Corporation given their knowledge of the industry, their past execution track record and their demonstrated ability to work as part of a team in an entrepreneurial culture.

In the performance of its duties, the Compensation Committee is guided by the following principles:

- establishing sound corporate governance practices that are in the interests of Shareholders and that contribute to effective and efficient decision-making;
- offering competitive compensation to attract, retain and motivate the very best qualified executives in order for the Corporation to meet its goals; and
- acting in the interests of the Corporation and the Shareholders by being fiscally responsible.

The Compensation Committee recognizes the positive benefits of having an entrepreneurial senior executive team. Since the Arrangement, the senior executive team was responsible for the successful completion of equity financings in the aggregate amount of over \$40.2 million, which has provided the Corporation with the funding necessary to execute its business objectives.

Components of the Compensation Program

The compensation program consists of the four following distinct elements aimed at aligning the interests of the senior executives with those of the Shareholders:

Components of Compensation	As % of Total Compensation	
	First Year	Target
Base salary	25 to 28	25
Annual incentive (bonus) compensation	25 to 28	25
Long-term incentive compensation	44 to 50	50
Perquisites and personal benefits	< 1	< 1

Base Salary

The Corporation provides senior officers with base salaries that represent their minimum compensation for services rendered, or expected to be rendered. NEOs' base compensation depends on the scope of their experience, responsibilities, leadership skills, performance, length of service, general industry trends and practices, competitiveness, and the Corporation's existing financial resources. Base salaries are reviewed annually by the Compensation Committee.

Base salary is a fixed element of compensation that is payable to each NEO for performing the specific duties of the position. The amount of base salary is determined through negotiation of employment terms with each NEO and is determined on an individual basis. While base salary is intended to fit into the Corporation's overall compensation objectives by serving to attract and retain talented executive officers, the Corporation's financial position, ability to pay, and the level of executive fees generally known to be paid by other companies in the industry. The Board's reasonable assessment also impacts the level of base salary.

The following sets out the annualized base salary of each of the NEOs during the 2020 Financial Year.

Named Executive Officer	Annual Base Salary
José Vizquerra Benavides, President and Chief Executive Officer	\$500,000
Blair Zaritsky, Chief Financial Officer ⁽¹⁾	\$125,000
Louis Garipey, VP Exploration	\$225,000

Notes:

(1) Mr. Zaritsky became Chief Financial Officer of the Corporation on July 5, 2019. Pursuant to an agreement between the Corporation and Osisko Mining Inc. (where Mr. Zaritsky is the CFO), 33.3% of Mr. Zaritsky's annual base salary is charged back to the Corporation.

Annual Incentive (Bonus) Compensation

The annual incentive program for the NEOs is based on their performance as a team against corporate objectives approved by the Board. Bonuses are approved by the Board, at its sole discretion, based on the recommendation of the Compensation Committee. The target for annual incentive compensation for NEOs has been established at 100% of their respective base salary.

As part of its duties and responsibilities and in conjunction with year-end assessments, the Compensation Committee reviews the realization of the Corporation's objectives and thereafter meets with management for discussion and consideration of each element contained in the corporate objectives.

The Corporation's key objectives for 2020 (the "**2020 Key Objectives**") were as follows:

In December 2020, the Compensation Committee assessed the Corporation's achievement of the above-noted 2020 Key Objectives, which included a weighting of the 2020 Key Objectives, to determine the awards paid to the NEOs, other than the CEO. The Compensation Committee and Board approved a bonus award representing the total achieved status for the Vice President, Exploration. In January 2021, the Compensation Committee met to assess the CEO award using the weightings of the 2020 Key Objectives. Notwithstanding the total allocation achievement of 131%, the Compensation Committee and Board, pursuant to a request by the CEO, determined that it would be appropriate to award the CEO a bonus amount representing 100% of the corporate objectives for 2020.

See below for more detail on the achievements and assessment of the 2020 Key Objectives.

Long-Term Incentive Compensation

The Option Plan, RSU Plan, and the DSU Plan are considered long-term incentive plans of the Corporation. The Corporation's long-term compensation program ensures the alignment of the NEOs with the Shareholders and other stakeholders in the value creation process. The long-term compensation program provides an effective retention measure for key senior executives.

Option Plan

On June 26, 2020, the Shareholders approved the option plan (the "**Option Plan**") which is designed to advance the interests of the Corporation by, among other things, encouraging stock ownership by certain eligible individuals, including employees, officers, and consultants of the Corporation. The Option Plan is administered by the Board or a duly appointed committee of the Board, consisting of not less than three directors, all of whom are independent. The Option Plan is as an integral component of the Corporation's executive compensation arrangements. In general, Options are granted, at the discretion of the Board, and generally vest in three equal tranches: one-third on the first anniversary of the date of grant, one-third second anniversary of the date of grant, and one-third on the third anniversary of the grant date.

The Board believes that the grant of Options to senior officers serves to align their interests with those of the Shareholders and motivate the achievement of the Corporation's long-term strategic objectives, which will benefit Shareholders. Options may be awarded by the Board to directors, officers, employees and consultants of the Corporation, on the basis of the recommendation of the Compensation Committee. Option grants are based on a number of factors, including the individual's level of responsibility and their contribution towards the Corporation's goals and objectives. In addition, Options may be granted in recognition of the achievement of a particular goal or extraordinary service. The Board considers, among other things, prior Option grants and the overall number of Options that are outstanding relative to the number of outstanding Common Shares in determining whether to grant any additional Options, and the size of such grants. The Corporation intends to depart from the practice of granting Options to non-executive directors.

A summary of the principal terms of the Option Plan are more particularly described under the heading "*Securities Authorized for Issuance Under Equity Compensation Plans*" below.

DSU Plan

On June 28, 2019, the Shareholders approved and adopted the DSU Plan. The DSU Plan has been established to enhance the Corporation's ability to attract and retain talented individuals to serve as members of the Board and to increase the proprietary interests of non-executive directors in the Corporation and to align the interests of non-executive directors with the interests of Shareholders generally. The DSU Plan is administered by the Board or a duly appointed committee of the Board, consisting of not less than three directors, all of whom are independent. In general, DSUs are granted at the discretion of the Board and are settled upon the termination of the mandate of the non-executive director as a member of the Board for any reason, including resignation or death.

A summary of the principal terms of the DSU Plan are more specifically described under the heading "*Securities Authorized for Issuance Under Equity Compensation Plans*" below.

RSU Plan

On June 28, 2019, the Shareholders approved and adopted the RSU Plan. The purpose of the RSU Plan is to assist the Corporation in attracting, retaining individuals with experience and ability, to allow certain employees to participate in the long-term success of the Corporation and to promote a greater alignment of interests between the employees designated as participants under the RSU Plan and those of Shareholders. RSUs generally vest in their entirety over three years.

A summary of the principal terms of the RSU Plan are more specifically described under the heading "*Securities Authorized for Issuance Under Equity Compensation Plans*" below.

Perquisites and Personal Benefits

Perquisites and personal benefits comprise of less than 1% of total compensation. The Corporation does provide basic perquisites and personal benefits to certain of its NEOs. These perquisites and personal benefits are determined through negotiation of an executive employment agreement with each NEO. While perquisites and personal benefits are intended to fit the Corporation's overall compensation objectives by serving to attract and retain talented executive officers, the size of the Corporation and the nature and stage of its business also impacts the level of perquisites and benefits. Currently a benefit program with life insurance and health benefits is offered to all NEOs.

Termination and Change of Control Benefits

For a description of the termination and change of control benefits provided by the Corporation to the NEOs, please see "**Statement of Executive Compensation – Termination and Change of Control Benefits**" below.

Compensation Risk Considerations

The Compensation Committee structures the components of the compensation program in order to generate adequate incentives to increase shareholder value in the long term while maintaining a balance to limit excessive risk taking.

As part of measures in place to mitigate risk related to compensation structure, the Compensation Committee establishes the total compensation of the NEOs based on a balanced approach between fixed and variable compensation components. The use of multiple components limits the risks associated with having the focus on one specific component and provides flexibility to compensate short to medium term goals and long-term objectives in order to maximize shareholder value.

In respect of the 2020 Financial Year, the fixed component of the NEOs' compensation composed of the base salary which is aimed to represent approximately one quarter of total compensation. The components forming the remaining three quarters aim at rewarding short to long-term objectives and are composed of (i) an annual incentive (bonus) compensation (100% performance based, determined on a yearly basis), and (ii) long-term incentive compensation in the form of Options and RSU grants.

The annual incentive compensation is based a discussion and negotiation between the NEO and the Board.

In respect of the 2020 Financial Year, long-term compensation was comprised of Option awards and RSU awards. The Compensation Committee considers that the granting and vesting policies provide sufficient incentives to motivate NEOs in the long term to increase the overall value of the Corporation and thereby provide an adequate alignment of their interest with those of the Shareholders.

The Corporation has not adopted any retirement plan or pension plan for its directors and officers.

Based on the review performed in the last financial year, no risks associated with the Corporation's compensation policies and practices that are reasonably likely to have a material adverse effect on the Corporation were identified. The Compensation Committee considers that the procedures and guidelines currently in place to mitigate key risks relating to compensation are adequately managed and do not encourage excessive risk-taking that would be reasonably likely to have a material adverse effect on the Corporation. The Compensation Committee will continue to monitor and review the Corporation's compensation policies and practices annually to ensure that no component of the NEOs' compensation constitutes a risk.

The Corporation has a policy that restricts directors and NEOs from purchasing the Corporation's financial instruments in an amount greater than \$150,000, including, for greater certainty, prepaid variable forward contracts, equity swaps, collars, or units of exchange funds that are designed to hedge against or offset a decrease in market value of equity. To the knowledge of the Corporation, as of the date of hereof, no director or NEO of the Corporation has participated in the purchase of such financial instruments.

SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS

Stock Option Plan

The Option Plan is a rolling stock option plan, under which 10% of the outstanding Common Shares at any given time are available for issuance. The purpose of the Option Plan is to attract, retain and motivate persons as directors, officers, employees and consultants of the Corporation and any subsidiaries (hereinafter "**Optionees**"), and to advance the interests of the Corporation by providing such persons with the opportunity, through Options, to acquire an increased proprietary interest in the Corporation.

The following information is intended to be a brief description and summary of the material features of the Option Plan, which is qualified in its entirety by reference to the text of the Option Plan, a copy of which is attached as Schedule "A" to this Circular.

The maximum aggregate number of Common Shares reserved by the Corporation for issuance and which may be purchased upon the exercise of all Options shall not exceed 10% of the issued and outstanding Common Shares (on a non-diluted basis). As a result, should the Corporation issue additional Common Shares in the future, the number of Common Shares issuable under the Option Plan will increase accordingly. The Option Plan is considered an "evergreen" plan, since the Common Shares covered by Options which have been exercised shall be available for subsequent grants under the Option Plan, and the number of Options available to grant increases as the number of issued and outstanding Common Shares increases.

1. Options may be granted by the Corporation pursuant to the recommendations of the Board from time to time, provided and to the extent that such decisions are approved by the Board. Subject to the provisions of the Option Plan, the number of Common Shares subject to each Option, the Price (as defined in the Option Plan), the expiration date of each Option, the extent to which each Option is exercisable from time to time during the term thereof, and other terms and conditions relating to each such Option, shall be determined by the Board. At no time shall the period during which an Option is exercisable exceed five years, and the Price shall in no circumstances be lower than the market price (being the closing price of the shares of the Corporation on the TSXV) of the Common Shares. Options cannot be assigned or transferred.
2. The maximum number of Common Shares which may be issued to any one Optionee under the Option Plan together with any Share Compensation Arrangement (as defined in the Option Plan) in any 12 month period shall not exceed 5% of the number of Common Shares outstanding (on a non-diluted basis) from time to time, unless disinterested Shareholder approval is obtained pursuant to the requirements of the TSXV Corporate Finance Manual, and if applicable, the NEX policies. In addition, the participation of non-employee directors in the Option Plan shall be subject to the following limitations: (i) grants to any individual non-employee director of the Corporation under the Option Plan, when combined with grants under all of the other security-based compensation arrangements of the Corporation, shall not exceed \$150,000 annually, with no more than \$100,000 in grant date value provided in the form of Options under the Option Plan; and (b) the aggregate number of shares made available for issuance from treasury to all non-employee directors under the Option Plan, when combined with grants under all other security-based compensation arrangements of the Common Shares, shall not exceed one percent (1%) of the total issued and outstanding shares of the Corporation.
3. The maximum number of Common Shares which may be issuable to all Insiders (as defined in the Option Plan) at any time under the Option Plan together with any other Share Compensation Arrangement shall not exceed 10% of the Common Shares outstanding (on a non-diluted basis) from time to time. The number of Common Shares issued to Insiders within any one year period pursuant to all of the Corporation's Share Compensation Arrangements shall not exceed 10% of the number of outstanding Common Shares on a non-diluted basis.
4. Options granted to any director, officer, employee or consultant must expire within 90 days after such person ceases to be in at least one of those categories (or within 30 days for an investor relations employee), or such longer period as may be determined by the Board or reduced in accordance with any agreement pursuant to which the Option is granted, provided that such extension shall not be granted beyond the original expiry date of the Option. Options shall not be affected by any change of employment or status of the Optionee where the Optionee remains eligible for participation in the Option Plan.
5. In the event of certain transactions affecting the ownership or assets of the Corporation, Optionees may, upon notice from the Corporation and as allowed by the Board, be entitled to exercise their Options to the full amount of the Common Shares remaining at that time during the period provided by the notice (but in no event later than the expiry date of the Option).
6. In the event that no specific determination is made by the Board, any Options granted shall vest on the date of the grant, subject to limited exceptions.

7. The Board may from time to time amend, suspend or terminate (or re-instate) the Option Plan, and without Shareholder approval; provided however, that no such amendment may materially and adversely affect any Option previously granted to an Optionee without the consent of the Optionee, except to the extent required by law. Any such amendment shall be subject to the receipt of requisite regulatory approval including, without limitation, the approval of any stock exchange upon which the shares may trade from time to time; provided, however, that no such amendment may: (i) increase the maximum number of Common Shares that may be optioned under the Option Plan; (ii) change the manner of determining the minimum Price; (iii) effect a reduction in the exercise price or extension of the term of any Options; (iv) remove or exceed the insider participation limit prescribed by the TSXV Corporate Finance Manual; (v) broaden the definition of "**Eligible Person**" under the Option Plan; (vi) broaden or increase the annual participation limit of any non-employee director of the Corporation under the Option Plan; (vii) permit an Optionee to transfer Options to another person that is not under such optionee's ownership or control; or (viii) modify this amendment provision, unless Shareholder and regulatory approval is obtained. Any amendments to the terms of an Option under the Option Plan shall also require regulatory approval, including without limitation, the approval of any stock exchange upon which the shares may trade from time to time. For greater certainty, the board of directors may make the following amendments without seeking the approval of the Shareholders:
- (a) amendments to the Option Plan to rectify typographical errors and/or to include clarifying provisions for greater certainty;
 - (b) amendments to the vesting provisions of a security or the Option Plan, subject to prior written approval of the TSXV, if applicable;
 - (c) amendments to the termination provisions of a security or the Option Plan which does not entail an extension beyond the original expiry date thereof, subject to prior written approval of the TSXV, if applicable;
 - (d) amendments necessary as a result of changes in securities laws and other laws applicable to the Corporation;
 - (e) if the Corporation becomes listed or quoted on a stock exchange or stock market senior to TSXV, it may make such amendments as may be required by the policies of such senior stock exchange or stock market;
 - (f) amendments to the exercise price (so long as any reduction does not cause the exercise price to go below the market price of the Common Shares (as defined in the Option Plan), unless such amendment would benefit "insiders" as defined in the *Securities Act* (Ontario));
 - (g) the inclusion of cashless exercise provisions in the Option Plan or in any option granted thereunder, which provide for a full deduction of the number of underlying securities from the Option Plan reserve; and
 - (h) amendments that reduce, and do not increase, the benefits of this Option Plan to services providers.
8. If an Option expiration date falls within the blackout period described in the Option Plan, then the expiry date shall be the date which is tenth business day following the conclusion of the blackout period.

As of December 31, 2020, there were 3,917,543 Options issued and outstanding. As of the date of this Circular, there were 4,735,876 Options issued and outstanding.

Deferred Share Unit Plan

On June 28, 2019, the Corporation's Shareholders approved and adopted the DSU Plan. The purpose of the DSU Plan is to advance the interests of the Corporation and its subsidiaries by: (i) increasing the proprietary interests of non-executive directors in the Corporation; (ii) aligning the interests of non-executive directors with the interests of the Shareholders generally; and (iii) furnishing non-executive directors with additional incentive in their efforts on behalf of the Corporation.

The following is a summary of the principal terms of the DSU Plan, which is qualified in its entirety by reference to the text of the DSU Plan, a copy of which may be found on SEDAR (www.sedar.com) under the Corporation's issuer profile.

1. The maximum number of Common Shares made available for issuance from treasury under the DSU Plan, subject to certain adjustments described in the DSU Plan, shall not exceed 3,500,000 Common Shares (representing approximately 5.14% of the total issued and outstanding Common Shares as of the date of this Circular, calculated on an undiluted basis), provided, however, that the number of Common Shares reserved for issuance from treasury under the DSU Plan and pursuant to all other security-based compensation arrangements of the Corporation and its subsidiaries shall, in the aggregate, not exceed 10% of the number of Common Shares then issued and outstanding.
2. Non-executive members of the Board who are designated by the Board (or such other committee of the directors appointed to administer the DSU Plan) may participate in the DSU Plan ("**DSUP Participants**"). DSUP Participants may be granted DSUs, represented by a notional bookkeeping entry on the books of the Corporation with each DSU having a value equal, on any particular date, equal to the volume weighted average trading price of the Common Shares for the five (5) consecutive trading days prior to such date ("**Market Value**").
3. In addition, DSUP Participants may elect to receive DSUs in lieu of cash remuneration in respect of his or her annual board retainer, committee retainer and/or meeting fees (or any portion thereof), by delivering an Allocation Notice (as defined in the DSU Plan) to the Corporation. The number of DSUs to be credited to DSUP Participants in lieu of cash remuneration shall be determined on a quarterly basis, as of the final day of any quarterly period, calculated as the quotient obtained when (i) the aggregate value of the cash remuneration that would have been paid to such DSUP Participant, is divided by (ii) the Market Value of the Common Shares as of the last day of such quarterly period.
4. The grant of DSUs under the DSU Plan is subject to a number of restrictions:
 - (a) the aggregate number of Common Shares issuable at any time to Insiders (as defined in the DSU Plan) under the DSU Plan and all other security-based compensation arrangements of the Corporation and its subsidiaries shall not, in the aggregate, exceed 10% of the issued and outstanding Common Shares, calculated on a non-diluted basis;
 - (b) within any twelve (12) month period, the Corporation shall not issue to Insiders under the DSU Plan and all other security-based compensation arrangements of the Corporation and its subsidiaries, in the aggregate, a number of Common Shares exceeding 10% of the issued and outstanding Common Shares, calculated on a non-diluted basis;
 - (c) within any twelve (12) month period, the Corporation shall not issue to any one person (and companies wholly-owned by that person) under the DSU Plan and all other security-based compensation arrangement of the Corporation and its subsidiaries, in aggregate, the number of shares exceeding five percent (5%) of the issued and outstanding Common Shares, calculated on a non-diluted basis;

- (d) the aggregate number of Common Shares made available for issuance from treasury to all non-employee directors of the Corporation under the DSU Plan (alone or when combined with all of the other security-based compensation arrangements of the Corporation and its subsidiaries) shall not exceed 1% of the Corporation's total issued and outstanding Common Shares; and
 - (e) the value of Common Shares associated with grants to any individual non-employee director of the Corporation under the DSU Plan (alone or when combined with grants under all of the other security-based compensation arrangements of the Corporation and its subsidiaries) shall not exceed \$150,000 annually.
 - (f) The Board (or such other committee of the directors appointed to administer the DSU Plan) shall determine, at its sole discretion, the size of grants in respect of any DSUP Participant.
5. Whenever cash or other dividends are paid on Common Shares, additional DSUs will be automatically granted to each DSUP Participant who holds DSUs on the record date for such dividends. The number of such DSUs to be credited to such DSUP Participant as of the date on which the dividend is paid on the Common Shares shall be an amount equal to the quotient obtained when (i) the aggregate value of the cash or other dividends that would have been paid to such DSUP Participant if the DSUP Participant's DSUs as of the record date for the dividend had been Common Shares, is divided by (ii) the Market Value of the Common Shares as of the date on which the dividend is paid on the Common Shares.
 6. DSUs shall be adjusted (at the Board's sole discretion) to reflect changes affecting the Corporation as a result of any stock dividend, stock split, combination or exchange of shares, merger, consolidation, recapitalization, amalgamation, plan of arrangement, reorganization, spin off or other distribution (other than normal cash dividends) of the Corporation's assets to Shareholders or any other change affecting the Common Shares.
 7. A DSUP Participant may select a date to receive settlement for his or her DSUs on any date following his or her termination, but no later than December 15 of the calendar year following such Termination (as defined in the DSU Plan) (the "**Settlement Date**"), by completing and delivering a "**Redemption Notice**" to the Corporation upon a minimum notice of five (5) business days from the proposed Settlement Date.
 8. On the Settlement Date, the DSUP Participant (or his or her successor) shall be entitled to receive, in accordance with the prior election of such DSUP Participant, either: (i) one (1) Common Share for each DSU credited to the DSUP Participant's account on the Settlement Date, (ii) a lump sum cash payment equal to the Market Value on the Settlement Date of one (1) Common Share for each DSU credited to the DSUP Participant's account on the Settlement Date, or (iii) any combination of the foregoing (subject to the discretion Board (or such other committee of directors appointed to administer the DSU Plan) to settle by alternative form provided for under the DSU Plan).
 9. The Corporation will deduct or withhold from any payment or settlement in Common Shares, for the benefit of a DSUP Participant, any amount required in order to comply with the applicable provisions of any federal or provincial law relating to the withholding of tax or the making of any other source deductions, including on the amount, if any, included in income of a DSUP Participant. The obligation of the Corporation to deliver payment or Common Shares in settlement of DSUs, for the benefit of a DSUP Participant, is conditional upon the DSUP Participant paying such amount as may be requested for the purpose of satisfying any liability in respect of such withholding.
 10. Upon a Change of Control (as defined in the DSU Plan), all outstanding DSUs will remain outstanding, unless the DSUP Participant's Board mandate is terminated as a result of the Change of Control.

11. DSUP Participants have no claim or right to any Common Shares pursuant to the DSU Plan. DSUs shall not be considered Common Shares nor shall they entitle any DSUP Participant to exercise voting rights or any other rights attaching to the ownership or control of Common Shares.
12. The Board (or such other committee of the directors appointed to administer the DSU Plan) may from time to time amend, suspend or terminate (and re-instate) the DSU Plan in whole or in part or amend the terms of DSUs credited in accordance with the DSU Plan, without approval of the Shareholders, but subject to the receipt of all required regulatory approvals including, without limitation, the approval of the TSXV. If any such amendment, suspension or termination will materially or adversely affect the rights of a DSUP Participant with respect to DSUs credited to such DSUP Participant, then the written consent of such DSUP Participant to such amendment, suspension or termination shall be obtained. However, a DSUP Participant's written consent to an amendment, suspension or termination materially or adversely affecting his or her rights with respect to any credited DSUs will not be required if such amendment, suspension or termination is required in order to comply with applicable laws, regulations, rules, orders of government or regulatory authorities or the requirements of any stock exchange on which shares of the Corporation are listed.
13. The Board has broad discretion to amend the DSU Plan without seeking the approval of Shareholders. However, the Corporation may not make the following amendments to the DSU Plan without the approval of Shareholders: (i) an amendment to remove or exceed the insider participation limit prescribed by the TSXV Corporate Finance Manual; (ii) an amendment to increase the maximum number of Common Shares made available for issuance from treasury under the DSU Plan; (iii) an amendment to modify the definition of "**Eligible Director**" in the DSU Plan; or (iv) an amendment to the amending provision within the DSU Plan.
14. If the Board (or such other committee of the directors appointed to administer the DSU Plan) terminates the DSU Plan, DSUs previously credited to DSUP Participants will remain outstanding and in effect and be settled in due course in accordance with the terms of the DSU Plan on the Settlement Date.
15. Except as otherwise may be expressly provided for under the DSU Plan or pursuant to a will or by the laws of descent and distribution, no right or interest of a DSUP Participant under the DSU Plan is assignable or transferable.
16. All DSUs granted under the DSU Plan shall be and remain subject to any incentive compensation clawback or recoupment policy currently in effect or as may be adopted by the Board (or a committee of the Board) and, in each case, as may be amended from time to time.

As at December 31, 2020, 51,440 DSUs were outstanding under the DSU Plan. As of the date of this Circular, there are 80,491 DSUs issued and outstanding under the DSU Plan.

Restricted Share Unit Plan

On June 28, 2017, the Corporation's Shareholders adopted the RSU Plan. The purpose of the RSU Plan is to advance the interests of the Corporation and its subsidiaries by: (i) assisting the Corporation and its subsidiaries in attracting and retaining executive officers and key employees with experience and ability, (ii) allowing certain executive officers, key employees and consultants of the Corporation and its subsidiaries to participate in the long term success of the Corporation, and (iii) promoting a greater alignment of interests between the executive officers, consultants and key employees designated under the RSU Plan and the Shareholders.

The following is a summary of the principal terms of the RSU Plan, which is qualified in its entirety by reference to the text of the RSU Plan, a copy of which may be found on SEDAR (www.sedar.com) under the Corporation's issuer profile.

1. The maximum number of Common Shares made available for issuance from treasury under the RSU Plan, subject to certain adjustments described in the RSU Plan, shall not exceed 3,500,000 Common Shares (representing approximately 5.14% of the total issued and outstanding Common Shares as of the date of this Circular, calculated on an undiluted basis), provided, however, that the number of Common Shares reserved for issuance from treasury under the RSU Plan and pursuant to all other security-based compensation arrangements of the Corporation and its subsidiaries shall, in the aggregate, not exceed 10% of the number of Common Shares then issued and outstanding.
2. The Board (or such other committee of the directors appointed to administer the RSU Plan), upon recommendation from the President and/or Chief Executive Officer, from time to time in their sole discretion designates the executives and key employees entitled to participate in the RSU Plan ("**RSUP Participants**"). RSUs are granted to RSUP Participants at the discretion of the Compensation Committee.
3. The grant of RSUs under the RSU Plan is subject to a number of restrictions:
 - (a) the aggregate number of Common Shares issuable at any time to Insiders (as defined in the RSU Plan) under the RSU Plan and all other security-based compensation arrangements of the Corporation and its subsidiaries shall not, in the aggregate, exceed 10% of the issued and outstanding Common Shares, calculated on a non-diluted basis;
 - (b) within any twelve (12) month period, the Corporation shall not issue to Insiders under the RSU Plan and all other security-based compensation arrangements of the Corporation and its subsidiaries, in the aggregate, a number of Common Shares exceeding 10% of the issued and outstanding Common Shares, calculated on a non-diluted basis;

4. Whenever cash or other dividends are paid on Common Shares, additional RSUs will be automatically granted to each RSUP Participant who holds RSUs on the record date for such dividends. The number of such RSUs (rounded to the nearest whole RSU) to be credited to such RSUP Participant as of the date on which the dividend is paid on the Common Shares shall be an amount equal to the quotient obtained when (i) the aggregate value of the cash or other dividends that would have been paid to such RSUP Participant if his or her RSUs as of the record date for the dividend had been Common Shares, is divided by (ii) the Market Value (as defined in the RSU Plan) of the Common Shares as of the date on which the dividend is paid on the Common Shares. RSUs granted to a RSUP Participant by reason of cash or other dividends paid on Common Shares are subject to the same vesting conditions (time and performance, as applicable) as the RSUs to which they relate.
5. Vesting and settlement provisions under the RSU Plan are as follows:
 - (a) Subject to the discretion of the Board (or such other committee of the directors appointed to administer the RSU Plan), RSUs will vest in their entirety over three years (one-third on each of the first, second and third anniversary of the date a RSU is awarded).
 - (b) The RSUs may vest according to time and/or performance vesting conditions. The RSUs that are subject to the time vesting condition shall be deemed to have been 100% satisfied if the RSUP Participant is employed by the Corporation and/or a subsidiary on the date specified in the RSU Award Agreement (as defined in the RSU Plan). The RSUs that are subject to the performance vesting condition(s) (as applicable) shall also vest on the date specified in the RSU Award Agreement, provided that such number of vested RSUs shall be multiplied by the performance percentage determined by the Board (or such other committee of the directors appointed to administer the RSU Plan), all in accordance with the RSU Award Agreement.
 - (c) Within ten (10) days from the vesting date, the RSUP Participant (or his or her successor) shall be entitled to receive, in accordance with the prior election of such RSUP Participant, either: (i) one (1) Common Share for each RSU credited to the RSUP Participant's account on the Settlement Date, (ii) a lump sum cash payment equal to the Market Value on the Settlement Date of one (1) Common Share for each RSU credited to the RSUP Participant's account on the Settlement Date, or (iii) any combination of the foregoing (subject to the discretion Board (or such other committee of directors appointed to administer the RSU Plan) to settle by alternative form provided for under the RSU Plan).
 - (d) Upon a Change of Control (as defined in the RSU Plan), all outstanding RSUs shall vest immediately, irrespective of any performance vesting conditions.
6. RSUs will be adjusted to reflect changes affecting the Common Shares as a result of any stock dividend, stock split, combination or exchange of shares, merger, consolidation, recapitalization, amalgamation, plan of arrangement, reorganization, spin off or other distribution (other than normal cash dividends) of the Corporation's assets to Shareholders or any other change affecting the Common Shares.
7. If a RSUP Participant ceases to be an employee as a result of termination for cause, or as a result of a voluntary termination, all of the RSUP Participant's outstanding RSUs will be terminated.
8. If a RSUP Participant ceases to be an employee of the Corporation or a subsidiary as a result of death, termination not for cause, retirement or long-term disability, the time vesting component of RSUs will be subject to the following considerations:
 - (a) In the event the RSUP Participant is not entitled to a Benefits Extension Period (as defined in the RSU Plan), then the time vesting component of each RSU grant will be pro-rated

based on the number of days actually worked from the date of grant of such RSUs until the date of death, termination not for cause, retirement or long-term disability, over the number of days in the original vesting schedule in relation to such RSU grant.

- (b) In the event the RSUP Participant is entitled to a Benefits Extension Period, then the time vesting component of each RSU grant will be pro-rated based on the sum of (i) the number of days actually worked from the date of grant up until the date of death, termination not for cause, retirement or long-term disability, and (ii) the number of days included in the Benefits Extension Period, over the number of days in the original vesting schedule in relation to such grant.
- 9. If a RSUP Participant ceases to be an employee of the Corporation or a subsidiary as a result of death, termination not for cause, retirement or long-term disability, the performance vesting component of RSUs will be subject to the following considerations:
 - (a) In the event the RSUP Participant is not entitled to a Benefits Extension Period, then the performance vesting component of each RSU grant will be pro-rated based on the number of days actually worked from the date of grant until the date of death, termination not for cause, retirement or long-term disability, over the number of days in the original vesting schedule in relation to such grant; the number of vested RSUs resulting from such pro-rated calculation will be multiplied by the performance percentage determined by the Committee.
 - (b) In the event the RSUP Participant is entitled to a Benefits Extension Period, then the performance vesting component of each RSU grant will be pro-rated based on the sum of (i) the number of days actually worked from the date of grant up until the date of death, termination not for cause, retirement or long-term disability, and (ii) the number of days included in the Benefits Extension Period, over the number of days of the original vesting schedule set forth in relation to such grant.
- 10. A voluntary resignation will be considered as retirement if the RSUP Participant has reached normal retirement age under the Corporation's benefit plans or policies, unless the Committee decides otherwise at its sole discretion.
- 11. The Committee may from time to time amend, suspend or terminate (and re-instate) the RSU Plan in whole or in part or amend the terms of RSUs credited in accordance with the RSU Plan, without approval of the Shareholders, but subject to the receipt of all required regulatory approvals including, without limitation, the approval of the TSXV. If any such amendment, suspension or termination will materially or adversely affect the rights of a RSUP Participant with respect to RSUs credited to such RSUP Participant, then the written consent of such RSUP Participant to such amendment, suspension or termination shall be obtained. However, a RSUP Participant's written consent to an amendment, suspension or termination materially or adversely affecting his or her rights with respect to any credited RSUs will not be required if such amendment, suspension or termination is required in order to comply with applicable laws, regulations, rules, orders of government or regulatory authorities or the requirements of any stock exchange on which shares of the Corporation are listed.
- 12. If the Board (or such other committee of directors appointed to administer the RSU Plan) terminates the RSU Plan, RSUs previously credited to RSUP Participants will remain outstanding and in effect and be settled in due course in accordance with the terms of the RSU Plan.
- 13. Except as otherwise may be expressly provided for under the RSU Plan or pursuant to a will or by the laws of descent and distribution, no right or interest of a RSUP Participant under the RSU Plan is assignable or transferable.

As of December 31, 2020, there were 490,000 RSUs issued and outstanding under the RSU Plan. As of the date of this Circular, there are 580,000 RSUs issued and outstanding under the RSU Plan.

STATEMENT OF CORPORATE GOVERNANCE

The Corporation and its Board consider good corporate governance to be central to the effective and efficient operation of the Corporation in order that the Corporation may achieve its goals of enhancing shareholder value over the long term by conducting its business activities in a valuable, ethical and transparent manner. The Board is committed to a high standard of corporate governance practices and believes that this commitment is not only in the best interest of the Shareholders, but that it also promotes successful decision making at the Board level. The Board has adopted a Business Conduct and Ethics Policy to encourage and promote a culture of ethical business conduct amongst the directors, officers, employees and consultants of the Corporation. The Business Conduct and Ethics Policy is available on the Corporation's website at www.o3mining.com.

The Board encourages and promotes an overall culture of ethical business conduct by promoting compliance with applicable laws, rules and regulations, and advocating awareness of the guidelines and policies detailed in the Business Conduct and Ethics Policy. Through its meetings with management and other informal discussions with management, the Board believes the Corporation's management team likewise promotes and encourages a culture of ethical business conduct throughout the Corporation's operations, and the management team is expected to monitor the activities of the Corporation's employees, consultants and agents in that regard.

The Corporation is pleased to provide, in this Circular, an overview of its corporate governance practices, as assessed in the context of NI 58-101, National Policy 58-201 – *Corporate Governance Guidelines* ("**NP 58-201**") and National Instrument 52-110 – *Audit Committees and Companion Policy* ("**NI 52-110**").

Board of Directors

The Board believes that it functions independently of management and reviews its procedures on an ongoing basis to ensure that it is functioning independently of management. The Board meets without management present, on a regular basis. When conflicts arise, interested parties are precluded from voting on matters in which they may have an interest. In light of the suggestions contained in NP 58-201, the Board convenes meetings, as deemed necessary, of the independent directors, at which non-independent directors and members of management are not in attendance. The Board discharges its responsibilities directly and through the committees of the Board:

- the Audit Committee, comprised of three independent Board members;

- the Corporate Governance and Nominating Committee (the "**CG&N Committee**"), comprised of three independent Board members;
- the Compensation Committee, comprised of three Board members two of whom are independent; and
- the Sustainable Development Committee, comprised of three Board members two of whom are independent.

Each committee of the Board operates under a formal charter or mandate which is reviewed, and updated as necessary, on an annual or more frequent basis if necessary. A copy of each mandate can be found on the Corporation's website at www.o3mining.com. In fulfilling its responsibilities, the Board delegates day-to-day authority to management of the Corporation, while reserving the ability to review management decisions and exercise final judgement on any matter. In accordance with applicable legal requirements and historical practice, all matters of a material nature are presented by management to the Board for approval.

The Board is currently comprised of nine directors, 77% of which are independent, effective as of the date of this Circular. NI 58-101 defines an "**independent director**" as a director who has no direct or indirect "**material relationship**" with the issuer. A "**material relationship**" is as a relationship which could be, in the view of the board of directors of a company, reasonably expected to interfere with the exercise of a member's independent judgment. Each of Bernardo Alvarez Calderon, Patrick Anderson, Mélissa Desrochers, Murray John, Keith McKay, Amy Satov and Elijah Tyshynski are considered to be independent within the meaning of NI 58-101. SCHEDULE "A" STOCK OPTION PLAN

Section 1 Purpose

The purpose of this stock option plan (this "**Option Plan**") is to authorize the grant to service providers for O3 Mining Inc. (the "**Corporation**") of options to purchase common shares ("**shares**") of the Corporation's capital and thus benefit the Corporation by enabling it to attract, retain and motivate service providers by providing them with the opportunity, through share options, to acquire an increased proprietary interest in the Corporation.

Section 2 Administration

This Option Plan shall be administered by the board of directors of the Corporation or a committee established by the board of directors for that purpose (the "**Committee**"). Subject to approval of the granting of options by the board of directors or Committee, as applicable, the Corporation shall grant options under this Option Plan.

Section 3 Shares Subject to this Option Plan

Subject to adjustment under the provisions of Section 11 hereof, the aggregate number of shares of the Corporation which may be issued and sold under this Option Plan and pursuant to all other Security Based Compensation Arrangements (as defined herein), will not exceed 10% of the total number of issued and outstanding shares of the Corporation from time to time, unless this Option Plan is amended pursuant to the requirements of the TSXV Corporate Finance Manual and, if applicable, the NEX Policies. The Corporation shall not, upon the exercise of any option, be required to issue or deliver any shares prior to (a) the admission of such shares to listing on any stock exchange on which the Corporation's shares may then be listed, and (b) the completion of such registration or other qualification of such shares under any law, rules or regulation as the Corporation shall determine to be necessary or advisable. If any shares cannot be issued to any optionee for whatever reason, the obligation of the Corporation to issue such shares shall terminate and any option exercise price paid to the Corporation shall be returned to the optionee. Any increase in the issued and outstanding shares will result in an increase in the available number of shares issuable under this Option Plan, and any exercises of options will make new grants available under this Option Plan effectively resulting in a re-loading of the number of options available to grant under this Option Plan.

The maximum number of shares which may be issued to any one optionee under this Option Plan together with any Share Compensation Arrangement in any 12 month period shall not exceed 5% of the number of shares outstanding (on a non-diluted basis) from time to time, unless disinterested shareholder approval is obtained pursuant to the policies of the TSX Venture Exchange ("**TSXV**") or any stock exchange or regulatory authority having jurisdiction over the securities of the Corporation.

The maximum number of shares which may be issuable to all Insiders (as defined herein) at any time under this Option Plan together with any other Share Compensation Arrangement shall not exceed 10% of the shares outstanding (on a non-diluted basis) from time to time. The number of shares issued to Insiders within any one year period pursuant to all of the Corporation's Security Based Compensation Arrangements shall not exceed 10% of the number of outstanding shares on a non-diluted basis.

The maximum number of shares which may be issuable to any one Consultant (as defined herein) within any one year period under this Option Plan together with any other Share Compensation Arrangement shall not exceed 2% of the shares outstanding on a non-diluted basis.

The maximum number of shares which may be issuable to all Investor Relations Employee (as defined herein) within any one year period, under this Option Plan together with any other Share Compensation Arrangement shall not exceed 2% of the shares outstanding on a non-diluted basis.

No options can be granted under the Option Plan if the Corporation is on notice from the TSXV to transfer its listed shares to the NEX (as defined herein) or while the Corporation's shares trade on the NEX.

For the purpose of this Option Plan, "**Insider**" shall have the meaning ascribed to such term in the TSXV Corporate Finance Manual. For the purposes of this Option Plan, "NEX" means separate board of the TSXV for companies previously listed on the TSXV or the Toronto Stock Exchange which have failed to maintain compliance with the ongoing financial listing standards of those markets. For the purposes of this Option Plan "NEX Policies" means the rules and policies of the NEX as amended from time to time. For the purposes of this Option Plan, "Security Based Compensation Arrangements" means a stock option, stock option plan, restricted share unit plan, deferred share unit plan, employee stock purchase plan or any other compensation or incentive mechanism involving the issuance or potential issuance of shares to one or more service providers for the Corporation, including a share purchase from treasury which is financially assisted by the Corporation by way of a loan, guarantee or otherwise and any other equity-based compensation plan in effect from time to time. For the purposes of this Option Plan "TSXV Corporate Finance Manual" means the rules and policies of the TSXV as amended from time to time.

Section 4 Eligibility

Options shall be granted only to service providers for the Corporation. The term "service providers" for the Corporation means: (a) any full or part-time employee ("**Employee**") or officer, or insider of the Corporation or any of its subsidiaries; (b) any other person employed by a company or individual providing management services to the Corporation ("**Management Company Employee**"); (c) any other person or company engaged to provide ongoing consulting services for the Corporation or any entity controlled by the Corporation ("**Consultant**"); (d) any individual engaged to provide services that promote the purchase or sale of the issued securities ("**Investor Relations Employee**"); and (e) also includes a corporation, 100% of the share capital of which is beneficially owned by one or more service providers (any person in (a) (b), (c), (d) or (e) hereinafter referred to as an "**Eligible Person**"); and (f) any registered retirement savings plan established by such Eligible Person, or any corporation controlled by such Eligible Person, the issued and outstanding voting shares of which are, and will continue to be, beneficially owned, directly or indirectly, by such Eligible Person and/or the spouse, children and/or grandchildren of such Eligible Person.

For stock options to Employees, Consultants or Management Company Employees, the Corporation must represent that the optionee is a bona fide Employee, Consultant or Management Company Employee as the case may be. The terms "insider", "controlled" and "subsidiaries" shall have the meanings ascribed thereto in the *Securities Act* (Ontario) from time to time. Subject to the foregoing, the board of directors or Committee, as applicable, shall have full and final authority to determine the persons who are to be granted options under this Option Plan and the number of shares subject to each option. In addition, the participation of non-employee directors in this Option Plan shall be subject to the following limitations: (a) grants to any individual non-employee director of the Corporation under this Option Plan, when combined with grants under all of the other security-based compensation arrangements of the Corporation, shall not exceed \$150,000 annually, with no more than \$100,000 in grant date value provided in the form of options under this Option Plan; and (b) the aggregate number of shares made available for issuance from treasury to all non-employee directors under this Option Plan, when combined with grants under all other security-based compensation arrangements of the shares, shall not exceed one percent (1%) of the total issued and outstanding shares of the Corporation.

Section 5 Price

The purchase price (the "**Price**") for the shares of the Corporation under each option shall be determined by the board of directors or Committee, as applicable, on the basis of the market price at the time the option is granted, where "market price" shall mean the closing price of the shares of the Corporation on the TSXV or another stock exchange or dealing network where the majority of the trading volume or value of the shares occurs, on the date immediately preceding the date of the option grant in question, subject to applicable laws and regulations, and where there is no such closing price or trade on the prior trading day, "market price" shall mean the average of the most recent bid and ask of the shares of the Corporation on

any stock exchange on which the shares are listed or dealing network on which the shares of the Corporation trade.

In the event the shares are listed on the TSXV, in no event shall the Price be less than the Discounted Market Price, provided that (except for the exception outlined below) if options are granted within 90 days of a distribution of shares (or shares and other securities) of the Corporation by way of a prospectus, the minimum Price of those options will be the greater of the Discounted Market Price and the per share price paid by the public investors for shares acquired under the distribution. The 90 day period shall be calculated from the date a final receipt is issued for the prospectus unless the prospectus qualifies the distribution of shares underlying special warrants, in which case the 90 day period shall be calculated from the date of closing of the private placement of special warrants. Notwithstanding the foregoing, in certain circumstances, such as when an option is offered to an individual as an inducement to secure employment, the Price may be otherwise determined but only with the prior consent of the TSXV.

For the purposes of this Option Plan, "Discounted Market Price" means the market price less the following maximum discounts based on closing price (and subject, notwithstanding the application of any such maximum discount, to a minimum price per share of \$0.05):

Closing Price	Discount
Up to \$0.50	25%
\$0.51 to \$2.00	20%
Above \$2.00	15%

Section 6 Period of Option and Rights to Exercise

Subject to the provisions of this Section 6 and Sections 7, 8, 9 and 16 below, options will be exercisable in whole or in part, and from time to time, during the currency thereof. Options shall not be granted for a term exceeding the later of (i) ten years following the date of grant thereof; and (ii) the date which is the tenth business day following the conclusion of a self-imposed blackout period of the Corporation which is in effect on the date which is ten years following the date of grant thereof. The shares to be purchased upon each exercise of any option (the "**optioned shares**") shall be paid for in full at the time of such exercise. Except as provided in Sections 7, 8, 9 and 17 below, no option which is held by a service provider may be exercised unless the optionee is then a service provider for the Corporation.

Section 7 Cessation of Provision of Services

Subject to Section 9 below, if any optionee who is a service provider shall cease to be a service provider for the Corporation for any reason (except as otherwise provided in Sections 8 or 9 below) (whether or not for cause) the optionee may, but only within the period of ninety days, or thirty days if the service provider is an Investor Relations Employee, next succeeding such cessation and in no event after the expiry date of the optionee's option, exercise the optionee's options which have vested as of the date of such cessation, unless such period is extended as provided in Section 9 below or reduced in accordance with any agreement pursuant to which the option is granted. For greater certainty, no options shall vest following the date upon which an optionee who is a service provider shall cease to be a service provider of the Corporation for any reason, unless otherwise approved by the board of directors.

Section 8 Death of Optionee

Subject to Section 9 below, in the event of the death of an optionee during the currency of the optionee's option, the option theretofore granted to the optionee shall be exercisable within, but only within, the period

of one year next succeeding the optionee's death and in no event after the expiry date of the option. Before expiry of an option under this Section 8, the board of directors or Committee, as applicable, shall notify the optionee's representative in writing of such expiry.

Section 9 Extension of Option

- (a) In addition to the provisions of Sections 7 and 8, the board of directors or Committee, as applicable, may extend the period of time within which an option held by a deceased optionee may be exercised or within which an option may be exercised by an optionee who has ceased to be a service provider for the Corporation, but such an extension shall not be granted beyond the original expiry date of the option. Any extensions of options granted under this Option Plan are subject to applicable regulatory approval.
- (b) Subject to the approval of the TSXV, if required, the board of directors shall have the right to adjust the exercise period of any portion of any option which remains unvested.

Section 10 Non-Assignability and Non-Transferability of Option

An option granted under this Option Plan shall be non-assignable and non-transferable by an optionee otherwise than by will or by the laws of descent and distribution, and such option shall be exercisable, during an optionee's lifetime, only by the optionee.

Section 11 Adjustments in Shares Subject to Plan

The aggregate number and kind of shares available under this Option Plan shall be appropriately adjusted in the event of a reorganization, recapitalization, stock split, stock dividend, combination of shares, merger, consolidation, rights offering or any other change in the corporate structure or shares of the Corporation. The options granted under this Option Plan may contain such provisions as the board of directors, or Committee, as applicable, may determine with respect to adjustments to be made in the number and kind of shares covered by such options and in the option price in the event of any such change. If there is a reduction in the exercise price or an extension of the term of the options of an insider of the Corporation under any circumstances, the Corporation will be required to obtain approval from disinterested shareholders.

Section 12 Amendment and Termination of this Stock Option Plan

- (a) The board of directors or Committee may from time to time amend, suspend or terminate (or re-instate) this Option Plan in whole or in part, and without shareholder approval; provided however, that no such amendment may materially and adversely affect any option previously granted to an optionee without the consent of the optionee, except to the extent required by law. Any such amendment shall be subject to the receipt of requisite regulatory approval including, without limitation, the approval of any stock exchange upon which the shares may trade from time to time; provided, however, that no such amendment may: (i) increase the maximum number of shares that may be optioned under this Option Plan; (ii) change the manner of determining the minimum Price; or (iii) effect a reduction in the exercise price or extension of the term of any options; (iv) remove or exceed the insider participation limit prescribed by the TSXV Corporate Finance Manual; (v) broaden the definition of Eligible Person under this Option Plan; (vi) broaden or increase the annual participation limit of any non-employee director of the Corporation under this Option Plan; (vii) permit an optionee to transfer options granted under this Option Plan to another person that is not under such optionee's ownership or control; or (viii) modify this amendment provision, unless shareholder and regulatory approval is obtained. Any amendments to the terms of an option under this Option Plan shall also require regulatory approval, including without limitation, the approval of any stock exchange upon which the shares may trade from time to time.

- (b) For greater certainty, the board of directors or Committee may make the following amendments without seeking the approval of the shareholders of the Corporation:
 - (i) amendments to this Option Plan to rectify typographical errors and/or to include clarifying provisions for greater certainty;
 - (ii) amendments to the vesting provisions of a security or this Option Plan, subject to prior written approval of the TSXV, if applicable;
 - (iii) amendments to the termination provisions of a security or this Option Plan which does not entail an extension beyond the original expiry date thereof, subject to prior written approval of the TSXV, if applicable;
 - (iv) amendments necessary as a result of changes in securities laws and other laws applicable to the Corporation;
 - (v) if the Corporation becomes listed or quoted on a stock exchange or stock market senior to the TSXV, it may make such amendments as may be required by the policies of such senior stock exchange or stock market;
 - (vi) amendments to the exercise price (so long as any reduction does not cause the exercise price to go below the current "**market price**" as defined in Section 5 hereof) unless such amendment would benefit "**insiders**" as defined in the *Securities Act* (Ontario); and
 - (vii) amendments that reduce, and do not increase, the benefits of this Option Plan to service providers.
- (c) Subject to this Section 12 and the rules of the TSXV, the exercise price of an option may be amended only if at least six (6) months have elapsed since the later of the date of commencement of the term of the option, the date the shares commenced trading on the TSXV, and the date of the last amendment of the exercise price.
- (d) An option must be outstanding for at least one year before the Corporation may extend its term, subject to the limits contained in Section 6.
- (e) Any proposed amendment to the terms of an option is subject to the rules of the TSXV.

Section 13 Terms or Amendments Requiring Disinterested Shareholder Approval

The Corporation shall obtain disinterested shareholder approval prior to any of the following actions becoming effective:

- (a) the Option Plan, together with all of the Corporation's other Security Based Compensation Arrangements, could result at any time in:
 - (i) the number of shares reserved for issuance under options granted to Insiders exceeding 10% of the outstanding shares;
 - (ii) the grant to Insiders within a twelve-month period of a number of options exceeding 10% of the outstanding shares; and
 - (iii) the issuance to any one service provider, within a 12-month period, of a number of shares exceeding 5% of outstanding shares; or

- (b) any reduction in the exercise price of an option previously granted to Insiders.

Section 14 Effective Date of the Plan

This Option Plan becomes effective on the date of its approval by the shareholders of the Corporation.

Section 15 Evidence of Options

Each option granted under this Option Plan shall be embodied in a written option agreement between the Corporation and the optionee which shall give effect to the provisions of this Option Plan.

Section 16 Exercise of Option

Subject to the provisions of this Option Plan and the particular option, an option may be exercised from time to time by delivering to the Corporation at its registered office a written notice of exercise specifying the number of shares with respect to which the option is being exercised and accompanied by payment in cash or certified cheque for the full amount of the purchase price of the shares then being purchased.

Upon receipt of a certificate of an authorized officer directing the issue of shares purchased under this Option Plan, the transfer agent is authorized and directed to issue and countersign share certificates for the optioned shares in the name of such optionee or the optionee's legal personal representative or as may be directed in writing by the optionee's legal personal representative. Such certificate issued will bear a legend stipulating any resale restrictions required under applicable securities laws. Further, if the Corporation is a Tier 2 or NEX Issuer, or the exercise price is set below the then current market price of the shares on the TSXV, the certificate will also bear a legend stipulating that the option shares are subject to a four-month TSXV hold period commencing on the date of the grant of the option.

Notwithstanding any other provision herein, no options may be exercised during any self-imposed blackout period of the Corporation. In the event that the expiry date of an option falls within any such self-imposed blackout period, such expiry date shall be the date which is the tenth business day following the conclusion of such blackout period of the Corporation.

Section 17 Vesting Restrictions

Options issued under this Option Plan may vest at the discretion of the board of directors or Committee, as applicable, provided that the number of shares which may be acquired pursuant to this Option Plan shall not exceed a specified number or percentage during the term of the option, other than in respect of any particular options granted to an Investor Relations Employee, which will vest in stages over twelve months with no more than one quarter (1/4) of such option vesting in any three month period.

Section 18 Notice of Sale of all or Substantially all Shares or Assets

If at any time when an option granted under this Option Plan remains unexercised with respect to any optioned shares:

- (a) the Corporation seeks approval from its shareholders for a transaction which, if completed, would constitute an Acceleration Event; or
- (b) a third party makes a bona fide formal offer or proposal to the Corporation or its shareholders which, if accepted, would constitute an Acceleration Event;

the Corporation shall, subject to TSXV approval, if required, notify the optionee in writing of such transaction, offer or proposal as soon as practicable and, provided that the board of directors or Committee, as applicable, has determined that no adjustment shall be made pursuant to Section 11 hereof, (i) the board of directors or Committee, as applicable, may permit the optionee to exercise the option granted under this

Option Plan, as to all or any of the optioned shares in respect of which such option has not previously been exercised (regardless of any vesting restrictions), during the period specified in the notice (but in no event later than the expiry date of the option), so that the optionee may participate in such transaction, offer or proposal; and (ii) the board of directors or Committee, as applicable, may require the acceleration of the time for the exercise of the said option and of the time for the fulfilment of any conditions or restrictions on such exercise.

For these purposes, an Acceleration Event means the occurrence of any one or more of the following events:

- (a) the Corporation is not the surviving entity in a merger, amalgamation or other reorganization (or survives only as a subsidiary of an entity other than a previously wholly-owned subsidiary of the Corporation);
- (b) the Corporation sells all or substantially all of its assets to any other person or entity (other than a wholly-owned subsidiary of the Corporation);
- (c) the Corporation is to be dissolved and liquidated;
- (d) any person, entity or group of persons, or entities acting jointly or in concert acquires or gains ownership or control (including, without limitation, the power to vote) more than 30% of the Corporation's outstanding voting securities; or
- (e) as a result of or in connection with (A) the contested election of directors or (B) a transaction referred to above whereby the persons who were directors of the Corporation before such election or transaction shall cease to constitute a majority of the board of directors of the Corporation.

Section 19 Rights Prior to Exercise

An optionee shall have no rights whatsoever as a shareholder in respect of any of the optioned shares (including any right to receive dividends or other distributions therefrom or thereon) other than in respect of optioned shares in respect of which the optionee shall have exercised the option to purchase hereunder and which the optionee shall have actually taken up and paid for.

Section 20 Governing Law

This Option Plan shall be construed in accordance with and be governed by the laws of the Province of Ontario and shall be deemed to have been made in said Province, and shall be in accordance with all applicable securities laws.

Section 21 Expiry of Option

On the expiry date of any option granted under this Option Plan, and subject to any extension of such expiry date permitted in accordance with this Option Plan, such option hereby granted shall forthwith expire and terminate and be of no further force or effect whatsoever as to such of the optioned shares in respect of which the option has not been exercised.

Section 22 Options not Exercised

In the event an option granted under the Option Plan expires unexercised or is terminated by reason of dismissal of the optionee for cause or is otherwise lawfully cancelled prior to exercise of the option, the option shares that were issuable thereunder will be returned to the Option Plan and will be eligible for reissuance.
